

No Wipes Down the Pipes

Even if a product says it is “flushable” ...
Unless it is toilet paper, it should not be flushed!

The following items should be placed in a trash bag. Putting these items down toilets may plug sewers and cause raw sewage to back up into YOUR HOME.

- Diapers (including cloth, cotton, disposable or plastic)
- Flushable, disposable, cleaning, or baby wipes
- Paper towels, cloth towels, or any type of rag
- Feminine hygiene products
- Facial
